When HRH The Prince of Wales set up the trust and raised the funding to save Dumfries House for the nation, he was well aware of the massive conservation task that lay ahead. One project that required urgent attention was the conservation of the beautiful set of four tapestries that comprise The Triumph of the Gods series that hang in the Tapestry Room - a room used regularly for functions. To overcome the problem that would have been caused by their absence Zardi & Zardi was commissioned to make a set of copies to hang in their place.

From the four tapestries Zardi & Zardi have created a number of unique designs including fabulous panoramic wallpaper, and a variety of wall hangings and fabrics for use as drapery, fabric walling and upholstery.
